

3-SEC
STRIP
SWEET POINT

Men's feelings tend to wane over time.

I want to be with you forever,
and now I don't.

Women's feelings tend to grow over time.

I will just "wait"
in the beginning,
but now he's really
growing inside me.

AND THEREFORE,
THAT SWEET POINT OF INTERSECTION
TENDS TO BE VERY BRIEF.

I don't like you...

He's changed

WHAT DO WE CONCLUDE?
FOREVER ALONE!!!!!!
